 - Identification of the Problem
 - Theory of Action
 - Best Practices (What Worked)
 - Re-Teach

Harriet Eddy Middle School Inquiry Focused Learning Experiences

At HEMS, inquiry is a teacher-facilitated, active learning process through which students ask questions, research ideas, solve problems, and reflect for the purpose of discovery and understanding.

1. Inquiry
2. Gradual Release of Responsibility
3. Student Collaboration & Dialogue
4. Frequent Formative Assessment to guide instruction
5. Performance Task Summative Assessments
